

WEDDING PHOTOGRAPHY

Weddings, wedding receptions and religious ceremonies are not permitted at Longwood Gardens.

Wedding photographs may be taken at Longwood provided the following guidelines are observed:

- **Wedding photography is permitted only in the outdoor gardens from 9:00 AM until one hour before closing, never indoors in the Conservatory, even if it is raining.**

Lights may not be used at any time. Tripods may be used, with the exception of high volume days such as during the Christmas display season, Fireworks shows and other popular visitation days. Security will determine when to restrict their usage.

- **Everyone, including the photographer, must purchase an admission ticket to enter the Gardens.**
- **Rice or confetti may not be thrown, and food or beverages are not permitted in the Gardens.**
- **The photos are for personal use only, not for advertising wedding gowns, products, or services.**
- **The photography session must not interfere with the enjoyment of Longwood's other guests.**
- **All vehicles must park in the Main Parking Lot.**

I have read, understand, and agree to the above rules and regulations.
