

Student Tracking Sheet for Certificate of Merit in Landscape Design

Use This Template to Track Your Courses

Students are asked to track their own Certificate of Merit courses. Use this template to track your courses as you work towards your Certificate. When all requirements have been met and you are eligible for graduation, please return this sheet to the Continuing Education office. Please feel free to call the office at 610.388.5454, if you have questions.

Name: _____

To earn the certificate, the student should satisfactorily complete the following core courses, receiving a minimum grade of 70% in each course. Core course grades will be based on assignments, class projects, and participation. Elective courses will be graded on a pass/non-pass basis. To receive elective credits, students will complete an assignment.
