

Upcoming Community Read Event

This year, we invite you to read *The Home Place: Memoirs of a Colored Man's Love Affair with Nature* by J. Drew Lanham and *Ruby's Birds* by Mya Thompson. Join us as we examine where a love of nature might start, and how that seed germinates and grows into something more.

The 2021 Community Read is organized by Longwood Gardens and many community partners, including public libraries, museums, gardens and conservation organizations.
